Antonia "Tonie" Roque-Lencz, 87 of Chippewa Falls, formerly of Stanley died on Saturday, February 26, 2022, at Wissota Place under St. Joseph's Hospice with her family by her side. She was born on November 7, 1934 in Ciales, Puerto Rico the daughter of the late Hipolito and Carmen (Ruiz) Sanchez. She grew up in Puerto Rico until her family moved to Camden, N.J. Tonie married Leroy J. Roque in 1962. They later divorced. She married John Lencz on October 7, 1995. Tonie worked for Victory Memorial Hospital and Nursing Home in Stanley in housekeeping for 19 years. In her work there, she not only provided for the health and safety of the residents, but also used her desire to serve and spread the word of God through the skills he gave her as a diplomat, empath, and pragmatist to meet the people in her care where they were at and offer them what they needed, whether that was prayer, comfort, compliment, or a loving, down to earth scolding. Tonie loved her husband, John, and her family and she put God and them at the center of her life. From her kitchen table, she led her family with wisdom, God-centered guidance, and the infinite cups of coffee that had a great influence on her children and grandchildren and shaped the people they became. She also offered solace and empathy to her many friends in the community during difficult times. She and John extended that solace and love to local nursing homes using their musical talents, kindness, and good humor to the residents they found there. She never stopped her search for knowledge, understanding, and personal growth setting a strong example of perseverance, integrity, and above all the power of love. She is survived by her husband John, her children, Lisa (Michael) Weaver, Kimberly A. Carlo and Mario S. Sanchez, grandsons, Joel A. (SarahAnne) Erickson, Joshua J. (Amanda) Erickson, Gian R. Carlo, Jacob L. (Julia) Erickson, Giovanni H. Carlo, Jared M. Erickson, Justin J.
